Introduction

You are kindly invited to join us in Pisa for the 2nd Multidisciplinary Congress on Pelvic Floor Diseases. This innovative event will offer a platform for interactive discussion to different specialists having an interest in the management of PFD. All those who work in this area appreciate the complexity and the tight interconnection of symptoms and functional disorders that characterize PFD. This is why we have decided to organize this new type of event, that will convene the foremost world experts within all the specialties, with a setting where discussion and interaction will be the primary goal. What we want to achieve is to see the problems with new eyes, to be able to ask and explain to colleagues with different expertise how we are challenged in our daily practice of pelvic floor physicians.

See you in Pisa!
Gabriele Naldini, Tommaso Simoncini

SCIENTIFIC PROGRAMME

Thursday, 14th December 2017

08.00 Registration

09.00–09.15 **Opening – Concorde Hall**

09.15–10.10 - **Session 1**

Management of fistulas and sphincter lesions

Chairs: F. Gabrielli, R. Milani

09.15 Management of recto vaginal fistula | D. L. Ren

09.30 Management of vesico-vaginal fistula | N. Veit-Rubin

09.45 Early and late management of perineal post-delivery lesions and its impact on future delivery | R. Scherer

10.00 Discussion

10.10–10.25 **Lecture: Genetics of Pelvic Floor Disorders | D. Rizk**

10.25–10.30 **Comment from the Chair F. Selvaggi**

10.30–11.15 - **Session 2**

Hot topics in pelvic floor surgery: advantages and disadvantages of uterus removal during POP surgery

Chairs: M. Bologna, V. Calu

Invited Comment: X. Luo

10.30 The point of view of a gynaecologist | J. B. Dubuisson

10.45 The point of view of colorectal surgeon | P. P. Sileri

11.00 Discussion

11.15–11.30 **Lecture: Menopause, ageing and incontinence | D. Robinson**

11.30–11.35 **Comment from the Chair A. R. Genazzani**

11.35–12.00 Coffee & Visit the Exhibit

12.00-13.15 - Session 3 – PFD 3.0 - Concorde Hall

The future of simulation and training in pelvic floor surgery

Chair: F. Petraglia

- 12.00 Pelvic Floor Surgery in the era of social media | G. Pellino
12.15 Robotics, telesurgery and telementoring in modern pelvic floor surgery | F. Melfi
12.30 Cadaver models in pelvic floor surgery training | A. Ercoli
12.45 The TAPE score for smartphone and tablet | D. Altomare
13.00 Discussion

13.15-14.15 Sponsored Lunch Symposium* - Concorde Hall

13.15 - 14.15 | Clinical Cases - Tornado Hall

Clinical cases: The clinical cases that kept me awake!

13.15 Case Study: the Role of Physical Therapy in the Treatment of Chronic Pelvic Pain with Sexual Dysfunction | A. N. Abdelrahman

Provoker: M. Mistrangelo

13.30 Mixed Urinary Incontinence | D. Rizk

Provoker: M. Garaventa

13.45 EMG as a tool to detect anal sphincter recovery after severe perineal tear | L. Racene

Provoker: D. Mascagni

14.00 Recurrent Stress urinary incontinence | A. Sammut, A. Vella

Provoker: G. L. Bracco

14.15-15.45 - Session 4 – Concorde Hall

Pelvic Floor Disorders: Imaging and Instrumental Diagnosis

Chairs: D. Altomare, D. Pistolesi

- 14.15 When imaging is important for PF reconstruction | Y. Ribas
14.30 When urodynamics is important for PF reconstruction | L. Cardozo
14.45 When anorectal manometry is important for PF reconstruction | M. Bellini
15.00 When neurophysiological tests are important for PF reconstruction | G. Del Popolo
15.15 Ultrasonography in the hands of the surgeons: could be the answer? | G. A. Santoro
15.30 Discussion

15.45 – 16.45 | Sponsored Symposia* - Concorde & Tornado Halls

16.45-17.10 Coffee & Visit the Exhibit

17.10-18.20 | Round Table – Concorde Hall

The future of multidisciplinary management of pelvic floor disorders

Chair: F. Bongarrà

In collaboration with scientific societies involved in pelvic floor dysfunctions: AIUG, EUGA, MIPS, SICCR, SIUCP, SIUD

Congress Dinner Buffet*

*see pages 7-8 for further details

Friday, 15th December 2017

08.30-12.00 - Session 5 - Live Surgery Session – Concorde Hall

Chairs: J. Loriau, M. Trompetto, A. Cianci

Surgeons: J.B Dubuisson, P.P Sileri, D.L. Ren

12.00-12.45 - Session 6 – Concorde Hall

Hot Topics in Pelvic Floor Surgery: fantastic meshes and where to put them

Chair: A. Stuto

Invited comment: J. P. Roovers

12.00 The point of view of the gynaecologist | M. Cervigni

12.15 The point of view of the colorectal surgeon | A. D'Hoore

12.30 Discussion

13.00-14.00 | Sponsored Lunch Symposia* – Concorde & Tornado Halls

14.00-14.30 Coffee & Visit the Exhibit

14.30 - 15.45 - Pelvic floor 3.0: Europe meets China – Tornado Hall

Chair: D. L. Ren, S. Salvatore

14.30 Management of rectal prolapse | D. L. Ren

14.42 Clinical study of the TST starr Plus in the treatment of obstructed defecation syndrome | Z. G. Zhang

14.54 What is the role of perineal approach for rectal prolapse in the contemporary age | P. Zhu

15.06 Reconstruction of posterior pelvic floor for obstructed defecation syndrome (ODS) | Y. W. Li

15.18 Development & Current Situation on Diagnosis & Treatment of POP & FSUI in China | X. Luo

15.30 Discussion

14.30 - 14.50 | Controversy in POP surgery: Is POP surgery the perfect indication for robotics? | J. Deprest

Concorde Hall

Chair: S. Luisi

14.50 - 15.00 Discussants: I agree: M. Cervigni – I disagree: L. Lenisa

15.00 - 16.00 | Session 7 – Concorde Hall

Incontinence

Chair: N. Colacurci, M. Mercer-Jones

15.00 The future of UI management | S. Salvatore

15.15 Pelvic Organ Prolapse & Incontinence | A. Longo

15.30 Fecal Incontinence and constipation after POP surgery | F. Pucciani

15.45 Discussion

16.00 - 16.20 Coffee & Visit the Exhibit

16.00 - 16.15 Lecture: Perineal cosmetic and reconstructive surgery | SJ Monstrey

16.15 - 16.20 Comment from the Chair Carlo Ratto

16.20 - 17.20 | Session 8 – Concorde Hall

Complications after Pelvic Floor Surgery

Chair: G. Milito, S. Dessole, G. Capobianco

16.20 Management of recurrences after mesh or resective surgery | M. Mercer-Jones

16.35 Pain after POP surgery | F. Cappellano

16.50 Sexual dysfunction after POP surgery in postmenopausal women | A. Graziottin

17.15 Discussion

17.20 Closing Session & Clinical Cases award

*see page 6 for further details

Sponsored Symposia

Thu, 14th Dec

Medtronic 13.15 - 14.15 Concorde Hall
 Sponsored Lunch Symposium

Current perspectives in the Management of Pelvic Floor Diseases: the technology continuum in the specialist treatments

Chair: M. Cervigni

Sacral Neuromodulation: when to use it in the care pathway continuum F. Cappellano

Clinical Significance and Rationale of TPS:

a New Surgical Option to Cure Perineal Descent Using Biological Mesh A. Renzi

LVMR, when Quality of life makes the difference (When the right operation

at the right time with the right implant. Makes the difference to these patients M. Mercer Jones

15.45 - 16.45 Concorde Hall

**Sponsored Symposium - Frankenman
 An Holistic Approach to the Treatment of Haemorrhoidal Disease and Prolapse. Do we need another classification?
 A Round Table Discussion**

Chair: V. Calu

Panelists: P. Talento, J. Loriau, A. Gardovskis

What to classify? Need of classification for hemorrhoidal disease P. Talento

15.45 - 16.45 Tornado Hall

**Sponsored Symposium - SunMedical
 Titanized meshes in pelvic floor reconstruction**

Chair: J. B. Dubuisson

Laparoscopic Lateral Suspension: Safe and satisfied patients N. Veit-Rubin

What I expect for a mesh, the colorectal view A. Stuto

Fri, 15th Dec

13.00-14.00 Concorde Hall

**Sponsored Lunch Symposium - Touchstone
 Management of recurrence after POP surgery**

What to do for recurrence after abdominal approach

What to do for recurrence after perineal approach

What to do after mesh procedure

13.00-14.00 Tornado Hall

**Sponsored Lunch Symposium - Coloplast
 TOT vs SIS, technological and technical evolution**

Symposium introduction

Surgical anatomy and complications S. Salvatore

SUI evolution G. Campagna

Altis: a new generation of SIS M. Cervigni

Why moving to SIS? J. P. Roovers

Clinical cases: Presentations and Reward

Presentations will last 15 minutes (10 min. for presentation, 5 min. discussion). Please note clinical cases are now schedule on thursday 14th Dec from 13.15 to 14.15. We kindly remind you to register to the congress no later than 30th November. Online registrations are available at www.pfdcongress.org
The award for best clinical case presentation will be announced during the Closing Session.

Italian CME and UEMS accreditation

This meeting is accredited for 200 participants: Physicians (General Surgery, Pediatric Surgery, Plastic Surgery, Geriatrics, Emergency Medicine, Gynecology, Internal Medicine, Neurophysiopathology, Neurology, Urology, Physical Medicine and Rehabilitation, Pediatrics, Surgery, Neurology), Physiotherapists, Nurses and Midwives.

Italian CME credits assignment is subject to: proof of attendance 90% of the event, return of the event evaluation form and positive outcome of the final evaluation test, for which each participant shall answer properly at 75% of the proposed questions.

The Congress has been granted with 15 European CME credits by the European Accreditation Council for Continuing Medical Education (EACCME®).

General Information

Congress Venue

Galilei Hotel | Via Darsena, 1 - 56121 Pisa (PI)

How to get there

You can reach the Congress Venue by car, using the Exit Via Aurelia going to Pisa Centro direction or by train getting off in Pisa Centrale Station.

Social Dinner

PFD dinner is included in the registration fee and is intended as an additional benefit for congress delegates who confirmed their participation during the registration process by 30 Nov 2017 (by email, fax or online).

In case of group registrations, please contact the Organizing Secretariat at pfd@defoe.it.

Sponsored Symposia

Attendance to Sponsored Symposia is included in the registration fee. For logistical and organizing reasons it is however necessary to notify/select your preferences during the registration process not later than 30 Nov 2017.

How to register & Registration costs

Registration process can be carried out online at the website www.pfdcongress.org or by fax//email. Registration form can be downloaded at the registration webpage.

Scientific Sessions will be in English.

Do not forget to book online your Dinner and Sponsored Symposia not later than 30 Nov 2017!

Please note booking is mandatorily required before the congress.

Registration costs

	Deadline 31 st July	After 31 st July
Doctors	€ 250,00	€ 350,00
Others*	€ 50,00	€ 100,00
Residents	€ 0,00	€ 0,00

*Nurses, Midwives, Physiotherapists, Technicians.

All costs are in euros, VAT free.

The registration fee includes: certificate of attendance, coffee breaks, lunches, visit the exhibits, PFD Dinner.
